

The **Aerospace Advisory Committee** provides expertise regarding aerospace business in the state, identifies key challenges to the industry's growth and offers recommendations for solutions. Recommendations will be featured in the CED's Annual Report, which is prepared for the Governor and Legislature and delivered in February of each year.

The Aerospace Advisory Committee is chaired by The Honorable Andrea Seastrand, Executive Director of the California Space Authority.

Committee members are:

- John Daegele, VP, Production and Supply Chain, Northrop Grumman Space Technology
- Celeste Ford, CEO, Stellar Solutions
- Kellie Johnson, President, ACE Clearwater Enterprises
- Len Kwiatkowski, VP and General Manager, Lockheed Martin Space Systems
- Andrea Seastrand, Executive Director, California Space Authority
- Mark Sirangelo, CEO, SpaceDev
- Susan Sloan, VP of Mission Assurance and Performance, Raytheon Company
